### **On being named Head Coach at Youngstown State University:**

"I am honored to be the new head coach at Youngstown State University. I am excited to rebuild this program with old-fashioned hard work and effort."

### **On getting started at Youngstown State:**

"There is a lot of work to be done this spring so that we get off to a great start next fall. The first thing I want to do is get to know the ladies who are currently on the team. With six seniors and four juniors next season, it is very important that our coaching staff works with the student-athletes that have already committed to this program."

### **On Coach Martin's Three C's:**

"We will be incorporating Coach Martin's 3 C's: Community, Classroom, and Court. I feel that it is my job to develop our student-athletes on and off the court. I want the ladies to graduate from YSU ready for the challenges they will face. My staff will be committed to their personal development, and, at the same time, we will be committed to building a championship team on the court."
